

PROJECT

DESIGN & BUILD OF MATHS BLOCK FOR MAYFIELD SCHOOL & COLLEGE

CLIENT

LONDON BOROUGH OF REDBRIDGE

VALUE

£440K

CONSULTANT

LONDON BOROUGH OF REDBRIDGE

The fast-track design and build of an eight-classroom maths block for Mayfield School and College, was the remit that the London Borough of Redbridge gave to Lakehouse.

The traditional design combined with modern proprietary windows and roof system enabled Lakehouse to complete the much needed facilities on time and within budget so that students from around the Goodmayes area could enjoy their education in a clean, airy and welcoming environment.
