CONSTRUCTION OF CHALKHILL SPORTS HALL
LONDON BOROUGH OF BRENT
£1.1M
LONDON BOROUGH OF BRENT

Lakehouse was excited to be awarded the contract for creation of an inspirational new build multi-use sports hall and performance arts hall together with new toilet facilities, changing rooms and offices at Chalkhill Primary School.

The 26-week work programme was undertaken in close co-ordination with the adjacent railway provider. Regular consultation with local Wembley residents was also necessary since access to the site was through a housing estate and it was important that disruption to the community was kept to a minimum.
