REFURBISHMENT OF STUDENT ACCOMMODATION  
LONDON SOUTH BANK UNIVERSITY  
£1.1M  
CHPK LIMITED

Over a two-year period, during the summer holidays, Lakehouse has undertaken the refurbishment of student accommodation in four separate halls of residence for the South Bank University.

The fast-track upgrade of more than 400 rooms within the challenging six-week summer vacation period, was achieved by

implementing comprehensive works programming and close management of a large workforce, enabling the provision of a very high quality finish.

Work to the cluster flats included new kitchens and shower areas, flooring, lighting, redecorations and bedroom furniture.
