Lakehouse's south west regional office has completed a number of refurbishment projects for Fareham Borough Council, totaling around £360,000 including:

- Phase 1 Fareham Civic Offices (floors 1,2,7 & 9)
- Ferneham Hall (ceiling replacement)
- MSCP Car Park, Osborn Road (fast track refurbishment)
- Phase 2 Fareham Civic Offices (floors 3,4,5 & 6)
- Phase 3 Council Chambers (floor 8)

The Mayor's Parlour, Council Chambers and other Committee Meeting Rooms are a great showcase for Lakehouse's work and marked the completion of the company's fifth contract for the council.

To celebrate the Mayor's opening of the improved facilities, Lakehouse sponsored a cocktail reception for Councillors and Hampshire based professionals, and presented the Mayor with a cheque for her chosen charity.
