

PROJECT

CONSTRUCTION OF A NEW SPORTS HALL AT GORDON PRIMARY SCHOOL

CLIENT

LONDON BOROUGH OF GREENWICH

VALUE

£2.7M

CONSULTANT

CALFORD SEADON AND BRYANT HARVEY PARTNERSHIP

Lakehouse was chosen to undertake works to Gordon Primary School, in Woolwich, which dates back to 1902. The new build sports hall and associated facilities were constructed whilst a full internal and external refurbishment of the adjacent triple deck school was carried out.

Phasing of the refurbishment works was necessary to accommodate the needs of teachers and pupils who remained in occupation. Work comprised roof repairs, masonry and stone repairs, brick cleaning, box frame window replacement and new entrances, staircases, canopies and doorsteps.

Staff and children were delighted with the improved facilities at this busy, friendly school.
