NEUHAM UNIVERSITY HOSPITAL

APPROACH TO HEALTHCARE

Lakehouse provides a complete new build and refurbishment package to the healthcare sector, with emphasis on sympathetic delivery and fast-track service. Experience has taught us the value of consultation and detailed planning to minimise disturbance to building operation, even in complex and sensitive environments, where 24 hour working cannot be disturbed.

We take full responsibility for what we do and are committed to quality workmanship, thorough assessment of risks, and excellent health and safety practices. It is our aim to deliver well-managed projects that exceed our clients' expectations and leave staff, patients and the general public with complete peace of mind.

WE WORK CLOSELY WITH OUR CLIENTS TO ENSURE THE CONTINUED SMOOTH RUNNING OF HEALTHCARE SERVICES

HEALTHCARE TEAM

At Lakehouse we have developed a clear understanding of the technical requirements and standards that the healthcare sector demands. Working closely with the client's team, administrators and medical staff and sympathetically with occupants, we aim to ensure the continued smooth running of healthcare services.

Our flexible approach enables us to accommodate changes, exceptional circumstances and patients' special needs. We have confidence in the integrity of our people and their ability to work discreetly and unobtrusively, treating everyone with respect.

SUSTAINABILITY

As our business grows, so does our commitment to create sustainable communities. To Lakehouse this means championing and developing local businesses, employing local people and supporting local supply chains.

We work with our clients and suppliers to provide training and employment opportunities. Our close involvement with professional partners, industry bodies and community groups enables us to assist and promote their own social and environmental initiatives through sponsorship and support.
