

PROJECT Refurbishment and Fit-Out of Exchange Shopping Centre
CLIENT Norwich Union Investment Management
VALUE £632K
CONSULTANT Norwich Union Investment Management

The Exchange Centre in Ilford is an all-in-one, indoor, in-town shopping centre housing over 100 shops, numerous restaurants and cafes.

Lakehouse was invited to fit-out and refurbish the food court on the upper level of this occupied shopping centre. High quality themed facilities were created for the whole community, including play areas and seated dining areas.

The fast-track project was completed to a tight 10 week programme so that the London Borough of Ilford could continue to welcome 13 million visitors to the Exchange Centre each year.
