

PROJECT Refurbishment & Fit-Out of Quaglino's

CLIENT Conran Restaurants

VALUE £200K

CONSULTANT Conran Restaurants

Quaglino's, in West London, and part of the Conran group, is one of the capital's places to see and be seen. Lakehouse was delighted to be chosen to undertake the high-class refurbishment and fit out of the well known restaurant and bar, together with the kitchen and offices.

Close liaison with Conran Restaurants was essential for Lakehouse to understand the client's needs and business ethos. The high specification work was undertaken to tight timescales so that the restaurant could re-open and maintain its healthy revenue stream.
